

You Can Make
Miracles Happen

Double your impact when you give to
our biggest match ever by September 30.

Dear [NAME],

Christable's difficult labor resulted in a fistula, but her baby, Precious, survived. It was a miracle in the eyes of the Kenyan mother who had suffered five stillbirths before Precious. We believe in miracles, too. They are an act of love, a gift bestowed upon those who have suffered. Each gift from kind people like you can pull a woman out of a shameful, silent existence.

So many women like Christable are waiting for care that will carry them out of dark days. Your gift is precious—like a baby born to a fistula survivor.

Will you support **our biggest challenge match ever** and make miracles happen for women in Kenya? Please hurry—your gift will **only be matched until September 30.**

With gratitude,
